Dear Bethel Guardians and South Dakota Job's Daughters,

Each year the Grand Guardian Council awards academic scholarships to some of our very deserving Job's Daughters in South Dakota. Any member of Job's Daughters or Majority Member who will be attending a post secondary school or trade school in the 2022-2023 academic year is eligible to apply. The scholarship will be awarded based on academics and merit, participation in Job's Daughters, community involvement and work history.

Please note that Job's Daughters and Majority Members who have previously received a scholarship from the South Dakota Grand Guardian Council will not be considered.

To ensure that the scholarship award is as fair as possible, the Scholarship Committee is asking that the Bethel Guardian Councils assist their members with collecting the needed information. The scholarship application requires information about the Daughter's attendance and participation in Job's Daughters activities. Section B and C of the application are meant to be completed by the Bethel Guardian Secretary and respective council members at the request of the applicant. Please assist applicants from your Bethel in the prompt completion of these sections of the application. Both sections should be returned to the Daughter and submitted with the rest of the application packet.

Application packets must have all required information, including a transcript from the applicant's school.

**APPLICATIONS AND ADDITIONAL APPLICANT INFORMATION
POSTMARKED AFTER APRIL 15TH WILL NOT BE CONSIDERED.**

Materials provided with the application will not be returned.

A copy of the scholarship application is enclosed with this letter. Please give each eligible Daughter in your Bethel a copy of this letter and a copy of the application. Feel free to make as many copies as needed. The scholarship application is also available on the South Dakota Job's Daughters website.

Scholarships will be awarded during this year's Grand Session in Chamberlain, SD. If you have any questions in regards to the scholarship application, please contact me.

The success of the South Dakota Scholarship Fund is based on the support from each Bethel. Remember, each term you are to hold a 'One Third, One Third, One Third' fundraiser. Your profits are split three ways: one third to Scholarship, one third to Promotion and one third to your Bethel. Thank you for your participation and support of Job's Daughters and the Masonic Family.

Good Luck Girls!

If the applicant attends a post - secondary school in a community that does not have a Job's Daughters Bethel, please use attendance for the last year she was living in the same community as, and was active with your Bethel.

We know there are many daughters that attend other Masonic Functions. Many times the daughters may need a chaperone and you are aware of attendance for this reason. We also know there are times in which the daughters attend functions with parents and grandparents. Please feel free to discuss this with the applicant.
